### JEE-IIT AND SCHEME OF EXAMINATION

With your child appearing for the new format of exam which is being conducted at an All India level by National Testing Agency (NTA), you as a parent must certainly have certain Questions & Queries in your mind and the most frequently asked Question in each parents mind is

#### What is JEE ?

JEE (Joint Entrance Examination) is a single common examination for admission in to all IIT, NIT & Govt. funded colleges across India.

JEE Examination is conducted in two levels.

**i) JEE (Mains) :** It covers multiple choice questions from the syllabus of XI & XII (PCM), It will contain total 30 questions asked from each subject of PCM

**ii) JEE ADVANCE :** First 2,20,000 students who have scored High Marks in JEE mains are eligible for JEE Advance. Such Students should have secured 75% Marks in 12th Class exam or be in the top 20% percentile in 12th Class exam & for SC/ST candidates qualifying marks will be 65%. The Marks scored in JEE advance will be considered for IIT Admission Process. It covers Questions of Physics, Chemistry & Maths which are objective.

Marking Scheme: Right Answer = 4 Marks  
Wrong Answer = -1 Mark

**NOTE:** JEE (Mains) Examination is conducted twice in a year by NTA through online mode, First is in 2nd week of January & other is in second week of April.
